

Save our local Post Office

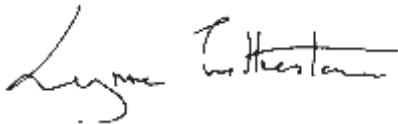

Dear Resident,

As you may have heard the Government is planning to close down our local post office. This is madness beyond belief. Queues in our area are already long and further closures will leave many vulnerable residents without a Post Office within reach.

Post Offices are vital hubs for our community, and closing them will put many of our high streets in danger of further decay. The Government has only given us six weeks to make our case for saving our post offices. That is why it is so important that you fill in the slip below and return it today.

Kind regards,

Lynne Featherstone MP
Liberal Democrat MP for Hornsey & Wood Green

We call on the Government to call off plans to close our local Post Office and keep this vital community hub open.
